“Michelle Rushing was the most compassionate, un-selfish person I have ever known in my time upon this earth!. Shell lived always thinking & doing for others! Romans 8:13 - "We are waiting for God to finish making us his own children, which means our bodies will be made free". I've always heard that the Angels watch for the one's God is getting ready to call home, waiting on them to blossom! Michelle Ginger Rushing....has been blossoming for 50 years! The world is now a little worse place without you in it!

God's comfort, peace and grace for the Rushing Family.... I will always remember Shell!
