“ I am so sorry Ms. Mildred has left this life and you are going through so much pain. I have known her for over 50 years and we always talked when we ran into each other. I counted her a special friend.

“ Simpson Family, Ms. Mildred was a very special lady and one of a kind. Her sassiness and spunk was a joy to be around and will be missed, but know we will see her again someday and I am sure she will be just as spunky, but pain free. Simpson family you inherited some great genes. Praying for you family's comfort. Love to you all.

“ *Mildred was such a special person. I love seeing her every Wednesday at the knitting class at the senior center. She always had a smile on her face and kind words to say. She could knit the most beautiful things. She's surely going to be missed. My prayers go out to her family. May the good Lord give you peace.*
