“ I will always remember the sweet little girl, with blonde curls, and dimples who entertained everyone at FirstBank, Main Street branch when she was 3 years old. She sat in my lap and shared the song that her grandmother Lynn taught her "You are My Sunshine".

I also remember Mollie dressing herself that morning and when Donna came to pick her up, she couldn't believe Jeff let her wear what she chose. Mollie loved everything she had on that day...a style of her own.

I will treasure that memory.

May God's peace be with you all.
