I have so many great memories of you and Justin at the house after hunting, you were always sleeping when you boys would pull up lol. Oh yes and don't for get about the time you, Justin and Charlie were cleaning quail and you were going to help, you tried so hard :-) you never liked hurting the birds lol. Nathan you were a very sweet young man. I am so blessed to have known you and happy that my son Justin thought of you as his brother. You are never forgotten son...*

Praying for peace and comfort as you go through this terrible loss. Losing a child is the ultimate grief. We lost our only child, Brian, two years ago and our hearts feel your pain. Just don't let go of God's hand and He will get you through this horrible storm you are in right now. Gary remembers Jeff from when he worked at the Co-Op.

Cagle family, no words come to mind as I try to wrap my mind around this horrific loss. Praying God's loving arms are wrapped around all of you & giving you Peace & Comfort as only he can do. I remember the first time I met you two, visited you & invited you to come to FUMC. At that time you shared that you were expecting your 1st child. Over the years your precious family grew. Please know my heart breaks thinking of the loss of one of those precious children. Prayers abound for your family as you struggle to grasp this, my prayers for Comfort,Peace & understanding be with you during this time! Love in Christ. Charlotte & John Paulk
