“ No one knows but God in Heaven how much I loved and miss my wife. we had 56 years of a lovely marriage and we were brought together by God. I knew when I first saw her she was meant to be part of my family and God let it happen. She introduced me to the Church of Christ and I was baptized for the second time in my life to be right with God . We were brought together by God and I put on our Rock (Matt. 18/18.) We will meet again someday and our love for each other will never change even tho there are no marriage in Heaven our love will never change thanks to God.
