“ *I have so many loving memories of Aunt Opal it's hard to share just one..She was one of the sweetest people that God ever put on this earth and she will be terribly missed by all who knew and loved her..As sad as it for all of us left behind, the angels were singing with her arrival in heaven.. She is now rejoicing in heaven with all her loved ones that went on before her.. I know that one day I will see her again and until that day I will hold all of the precious memories forever in my heart and I take comfort in knowing that she is now resting in God's loving arms..*
