“ I knew Pat, as Nancy. I knew her because she was the niece of my next door neighbor, Mattie Welch. I've known her for many years and I'm saddened by her passing. She was always glad to see and talk to me, as I was her.

“ My dear aunt Nancy was one of the most vibrant individuals I ever had the pleasure of meeting. She marched to the beat of not just her own drum but her own orchestra! She always made a point to bake a chocolate cake any time we were in town and when she visited she never failed to bring light and laughter into a room. I will miss her dearly. <3
