“ I have known Sis. Pat for several years and have learned to love her dearly in the past few years. She blessed our family dearly a few years ago and asked me to not reveal the blessing because it would take her blessing from her. She had the biggest heart of most anyone I ever met. Our family loves her dearly and will always remember her.

“ *It's hard to put 40 plus years of friendship into a short memory card! Pat is the definition of a true and loyal friend. She has been my friend through thick and thin and loved my family in the same way. She was SO happy when I met my husband and I'll never forget her joy in being a part of that. She and Charlie brought much love and laughter to our lives. Her love for Michele, Paul, and Kathryn and her grands was obvious to everyone who knew her. It is hard to not be there today but please know we are there in thoughts and prayers.*

“ I had not know this lovely lady, but I do know her brother Ron. If she was half the friend and caring person he is , that says alot about her. May her friends and family take comfort that she is among the stars smiling down. Rest in Peace.
