“ *Paula was a great friend and will be missed by all. We've been long time friends from LHS to working together at Lexington Metals/Johnson Controls. When we would see each other we would always take the time to chat a few minutes and could just pick up to where we were we left off with our lives and just carry on a long conversation because of the long history of being friends. Love you Paula may you be without any pain and your body healed up in heaven with our heavenly father.* ”
