“ *Remembering all the good times we spent around the Times Cafe and the court square as teens and later when my family moved to Nashville and Peggy would come and spend time with us. We were always together in those days either at Peggy's house or mine. So many good memories, Peggy was a beautiful lady on earth she'll be even more beautiful in Heaven. Fly high sweet butterfly with "Bill" the love of your life . My love and prayers are with the family. "RIP Peggy Joycie" I Love You
