“ From the time she met my cousin Clint, she was just part of the family! She just fit!! It was so natural for her to be part of us, like she was born to us! She had a special heart about her too! She was a very loving, caring and nurturing person with a very understanding way. She also had a great sense of humor and loved to pick at folks regularly! She was never without a smile for everyone she met(hense those amazingly beautiful crowds feet she had)!! Her smile just made you feel good!! And if she loved you, it was with a fierceness! No doubt she'd always be there for you and go to battle for you as well. I am thankful for her presence in my life, she was truly a blessing to me! I loved her like a sister and she will be missed! Fly high Marty!!

“ I never had the pleasure of meeting Phyllis. But I do know her son, CJ. And he is a testament to what a good person his mother must have been. So even never having met Phyllis her son speaks volumes about her. Integrity, family and hard working has been instilled in her children through her. She lives on through her children.
