“ *I was so sorry to hear of Ralph's passing. He meant a lot to me. I owe him a great deal. He was instrumental in helping me get the heart surgery program up and running at Jackson Madison County General Hospital. Without his confidence and approval of me and our team, it may not have been as successful as it was and is. I have thought of him often over the years. My heart and prayers go out to you. May God bless Ralph and his family.*  
*Very Sincerely Yours,*

“ I remember Mr. McPeake. He was our first heart bypass patient in Jackson in 1983. I was there for his procedure and for his followup surgery. He was as a kind person and gentle with a great sense of humor. I am sorry for your loss and and pray that God will spread his loving arms around you during this time. Heaven has gained another angel.
