“ I've known Ralph and his family for years when I was married in the family. Always remember him as being a sweet man. So sorry to hear of his passing. One thing that I noticed about his obituary that was missing is his other biological sons name, Mark Daniel Grooms, and a younger brother that proceeded him when he was a child. I hope this gets corrected out of respect for Ralph and his son because that's the way Ralph would want it. ALL his family should be included especially a son that checked on him continuously in his sickness. Prayers for his family. RIP Ralph 🙏
