“ My name is James McQueen, (Mac). I went to Church with Randal Pendergrass and he seem to really know the Bible real well, he must have read it a lot. Which is a good thing. I enjoyed talking to Randal and I never heard him say anything bad about anybody. When I heard he was sick and in the hospital I prayed to God asking God to give him a speedy recovery. The very next day I hated to hear that he had passed away but we can not change the will of God, God has a reason for everything. May God Bless him and his family. He will be missed a lot but he will live on in our memory. I thought so much of Randal.

“I have good memories of Mr. Wes, Mrs. Alma, Buford and Randal. Randal and I went deer hunting together, back in the 1960’s, when we had quail, he was a excellent shot. He was my lifelong friend and always enjoyed our talks. Prayers to his Sons and family.
