“ Randy will be truly missed. We worked together for many years. He was my work friend always being helpful to me. “GOOD MORNING EDNA MAE “ in the mornings he would yell to me over loud machines n just start laughing. We shared talks, laughs, goofy jokes, and pranks - well his pranks never worked because I always knew it was him, besides he would give his self away whenever I say “RANDY” !! he couldn't hold it - that lil sneaky grind come out and he'd ask “how u know it was me”? I have my memories As a friend and To know he's resting can help you heal in time. To the Family you have my deepest sympathy and I will continue to pray healing for you all.

REST IN PEACE RANDY !!! 🎈🌸
