“ *Mrs. Burton was my Mom's roommate at Lexington Healthcare and Rehab. Almost every day when I came to visit my Mom, I would say 'Hi Mrs. Burton, how are you today?' She would always say "I guess I'm OK". She never once complained about anything. She was very appreciative of every thing done for her. I'm so glad she was my Mom's roommate, for the short time we knew her, she was just at wonderful person to know and her attitude was one most of us could learn a lesson from. May you rest in peace Mrs. Burton.*
