“ My heart is saddened to hear of Curly's passing. Veteran's Day was always a special time when we would visit prior to the parade. He flew his flags proudly & I would make sure they were flying & not hung inside his tailgate. I would always make a point to see him before Christmas to donate to his wonderful cause, "Curly's Kids". You will be dearly missed by the whole community. May God wrap His loving arms around your family to give them comfort during the coming days.

“ I Remember Curly Playing Santa Claus At One Of Young Touchstone Christmas Parties. When I Walk In, He Was Sitting In A Chair Doing The "Santa Claus Thing" Well, I Walked Up To Him And Kick Him In His Leg! He Said, Jackie, Why You Kick Me?" I Said, "Because You Didn't Get Me What I Asked For Last Year!" He Says, "Well, You Sure As Hell Not Getting Nothing This Year!" That's Was The Relationship Curly And I Had... True Friendship. Rest In Paradise My Friend, I Will Forever Cherish Your Memory.

Mr Curly you were an inspiration to me and my husband. You were an example to both of us and an ear to him. You helped him in more ways than could ever be said. You were an example to me as well. The determination, drive, and love you had for others was amazing. I hope that your legacy lives on in Curly's kids as we try to keep your memory alive in all who knew you. Curly stew will be missed too lol fall festival will never be the same. You are home and pain free. Have a ball praising Jesus

“ *Mr. Curly was one of the sweetest men I have ever had the pleasure of meeting. He never seemed to have a cross word to say about as anyone and he had a heart of gold. He Loved helping people all the time but the Kids were his number one priority he always made sure that if their was a child in need he did what he could do to help out. I will miss sitting outside at 4 or 5am helping him make his curly stew. We will miss you like crazy Mr. Curly*
