“ My Mom, Rita Faye Roach was my friend, my confidant', and most importantly, my Mother! She was a loving mom who loved us unconditionally. She was always laughing and was always talking to people no matter where she went. She touched many lives, and will be sorely missed by her Husband, daughter, son's; grandchildren; great grandchildren, family and friends. I will miss her so much but I know she left me with great memories, unconditional love, and life skills to go forth and spread the wisdom, knowledge, and her unconditional love. She loved life and enjoyed the journey and has left her mark on this family as she has in so many people's life. I already miss you and will always hold you close to my heart. I love you and know that you are our "Guardian Angel" and we will see you again one day. Until then, know that you have loved and are loved by so many and we will all miss you. I know that you are resting in peace with God now and you will no longer suffer pain in this life. Your biggest fan! Love you to Infinity & back... Tammy

Rita was our very close friend , and our RV buddy. We had traveled several thousand miles together, along with L.C. Rita was also my race buddy and we kept up with Nascar together, and went to many races. She was a gracious and wonderful person and will be missed by us all. Betty Kaye and I loved her dearly. Rest high on that mountain, Rita.

“ She was my best friend and we had known each other since she was just a teenager. We went through some happy times, sad times and everything in between. Her smile was enough to light up a room and always there. She was loyal, loving and caring and believed in God with all her heart. I will miss her for the rest of my life and hope to see her later. She will never be forgotten. She was so strong and just a great person. I loved her dearly. God bless her family and friends. She is in a better place but we will all miss her so much - my heart is sad.
