“ Praying for your family! Ms. Robbie was my piano teacher at Pin Oak School and at her home--from 3rd grade through 8th grade. She also taught my mother, two sisters and my daughter. We all loved her! I remember how well she loved Diet Rite Colas. She always let Leann Camper Riley and me go to the teacher's lounge and get one for her after our joint lesson :) It's the little things that mean so much! We loved to spend that time with her twice a week! I'm so grateful for the gift she gave me--learning to play piano. I started as church pianist at 8 years old and she encouraged me all along the way. It's a priceless gift! She will be greatly missed! God bless you all!

“ I loved Mrs. Robbie, she taught me piano at Pin Oak for all my years there. I remember my very first piano lesson with her long ago, and her ease of teaching very young children. She was loved by everyone who knew her. Many prayers for her family.
