“ *I am very honored to have been Bob's girlfriend for six years. He was always good to me, and I never had to wonder if he loved me, because he showed me in every way, every day. I pray for comfort for his biological family, as well as for the family of friends he made over the years he lived in this area. He will be greatly missed by many, but we know he's with God now and that brings us comfort.*
