MR

My Stepdad was basically my Dad. He was there for me all my life. He taught me so many things. Throwing a frisbee, flying a kite, taught me about some of the best music in the world and molded me into a music lover! He was so precious to me and now there's this huge hole in my heart. But I know he's no longer suffering. I love you, Roger. I will play Beatles every week in your memory❤️
