TH

“ So very sorry for you guys Shelia et al. Ronnie seemed like a good "big brother" to Shelia and Wanda in High School. He picked three of us along with our bicycles in Lexington, after we (Shelia, Glenda Coffman, myself) rode the 10 miles to town. Shelia had mechanical issues with her banana bike but Ronnie came along and we piled everything into the truck. I enjoyed talking with him in later years at McKee Grocery. Since he volunteered at the Lexington Hospital, I had an opportunity to also catch up briefly there. We have a post on Ronnie at the LHS 1973 Facebook page if you can view it. Just posted this morning. Again, sorry for your loss. Losses seem even more brutal in the times we currently are living.
