“ Gene was a great person and made everyone around him a better person by having known him. He loved his family and he will truly be missed by everyone. I know heaven is richer today while we on this Earth have a void that is hard to fill. Thanks for all of the memories.

“ Gene was a truly good man. He would bring fish to my parents when he'd had a good outing. We are proud to call him family! God bless Molly, Missy and all.
