“ Kathy, your Dad was so much fun and kind to me on the couple boating trips I took with you guys-probably our Senior Year or so. He seemed kind and extroverted. Dad liked him from one of their job overlaps. So sorry for your loss. No length of time is ever really long enough. Take care of yourself as the bulk of the pain will hit you probably more in a few days or weeks. Perhaps suddenly. Particularly tough since this is your last parent. More painful being "orphaned" whether 10 or 66.

“ Sending love hugs and prayers to this family who means so much to me. My Daddy thought Rudolph had to try and somehow he always managed to work his magic and get us running and back on the road. Sweet Nelle and precious Kathy were my SBC sisters when we were 'kids' and I cherish the memories!
