Sara and I were great friends, I was treated like a member of her family. So many memories I cherish of her, Momma Emmons, and each member of her family (and her husband Keith Wyand who was also from New York).

Sending prayers to the family on the death of your mom. I no you will miss her very much. Not the same without having mamma to call to. I no I loss my mother a year ago and it hasn't been the same since. But she is in the arms of our LORD JESUS CHRIST and we will see them again one day.
