*Although I haven't seen Gaye in a while, I'm going to miss looking for her in stores. She & I worked together a few years @Washington Douglass where we shared very memorable moments. She always talked about Junior & Philip. She even shared Philip's music w/me. She was "funny & crazy" is what I would say to her 😊 but she knew how much I loved her. Praying for the family 🙏❤️*

“ I will miss you so much. Every summer it was us against them. You got to go on so many vacations in the summer when every Aunt and Uncle was leaving you tagged along. I remember when mom took you to take this picture. This is the Gay I will remember. Love to all the family members your cousin Rhonda
