

Steve Edward Elliott

February 3, 1945 - April 4, 2026

Steve Edward Elliott, age 81, was born February 3, 1945, and passed away Saturday, April 4, 2026, at his home surrounded by family.

Steve was a retired plant manager and a proud veteran of the United States Marines. He carried the values of hard work, dedication, and service throughout his life, but above all, he will be remembered as a loving husband, father, and grandfather.

He shared a deep and lasting love with his wife, Billie Knight Elliott, and took great pride in his family. He was a steady presence, a source of wisdom, and someone who could always be counted on. As a father and grandfather, he found his greatest joy in the moments spent together—whether offering guidance, sharing stories, or simply enjoying each other's company.

Steve was known for his incredible sense of humor and his “big kid” spirit that never faded with age. He had a way of making people laugh when they

needed it most and brought lightness into every room he entered. One of his most unforgettable trademarks was his ability to flip the bird with his “nub”—a playful, mischievous gesture that perfectly captured his personality and will forever be remembered with smiles and laughter by those who knew him best.

He is survived by his loving wife, Billie Knight Elliott; one daughter, Jackie (Bill) Doll; and three grandchildren, Haley (Caralisa) Elliott, Aaron Elliott, and Luke Doll.

He was preceded in death by one son, Steve Bradley Elliott; his parents, Nelson Pat and Irene Elizabeth Simpson Elliott; and three brothers, Mike Elliott, Pat Elliott, and Danny Elliott.

Funeral services will be held Thursday, April 9 at 2:00 PM at Reed’s Chapel, with burial to follow in Lexington Cemetery with military honors. Visitation will be Wednesday from 4:00 PM to 7:00 PM and Thursday from 12:30 PM until the time of service.

Steve leaves behind a legacy of love, laughter, and unforgettable moments. He will be deeply missed and forever remembered by all who had the privilege of knowing him.
