“ Diane ,Rick, Joe, I want to extend my sympathy to you for Sue's loss . Though a loss is temporary in its pain, the joy of eternal rest with the Father is never ending. She, like many of our relatives, lived a long and productive life. She was always a joy to visit with. I don't think I have every seen her without a smile. I visited Fairview about 3 years ago and was greeted by the duo of Sue and Anita. They were a comfort to each other in their widowhood. I wish I could see you and visit but I am not able to at this time. I work 5 days this week. I value my Adams Family and am knowledgable of the relationship my father had with Mr, Luther---like brothers. I wish you comfort at this time and may the many good memories overwhelm you to lessen your loss.

*Kind regards*
