“ *She was my Department Head in HBA. I love that lady like a mother. She always told you straight up, never beat around the bush, was not afraid to speak her mind. She always had my back and gave me advice on everything. She was a firecracker but I respected her for everything she stood by. One of the many things I love about her. I just can't Believe your gone. :(*

“ Oh my T-ber, as I called her, You were one of My first Supervisors at Walmart, You showed me the ins and outside and how to keep your area straight. Back then it was Housewares, you had your way you wanted it and that was the way it was. You taught me what foo-foo was at the holidays too! You could be tuff but you always took up for me. You told it like it was, you pulled no punches lol. I'm so Glad We got to know and become friends, and thank You for so many Wonderful Memories and Wonderful Times and Mom and I both say Thank You for the Wonderful Peanut Butter Pies! And I can Still hear You Saying, when We went to A Supercenter, I wanna work up front cause, this stores gonna sink cause its built on a old filled in lake or pond and I'm gonna get out the front door quick lol! So many Memories, 😭😭😭💔💔💔 Go and Rest Now, and Until I See You Again, I Love You T-ber!!

Me, as a former Door Greeter at Walmart, did not know her long. But she welcomed me with open arms. Me, being from the world of Emergency Medicine, was lost. Advised me on the the strange customs of retail. As far as I am concerned, The world will be a grayer place, without you in it. Peace out, My Friend. See you Monday.

“ *I have worked with Teresa Diane for going on 24 years. To know her was to love her. She was quite a character!!! I did get to witness first hand the change in her life when she accepted our Christ as her savior so I know I will see her again when God calls me home. Fly high Teresa, until we meet again!!!*
