“ My heart is broke. I can't imagine how you all fill. Teresa and I have been friends forever. Roger Punkin and Misty you have always seemed to be a little bit mine. I will never forget your mom and I working together and sharing a home together with you two and Christina. Sometimes it seems like yesterday. She and I didn't spend as much time together as we once did, but we always knew the other one was just a call away. Sometimes we would go for long periods without talking letting life pass us by, but when one of us called or seen the other it was like we had just seen each other the day before. I'm so sorry that I didn't take more time to visit with her. I hate that I have to say good bye to one of my oldest and dearest friends. Dale, Roger, Misty and Landon please know that I will always be just a call away for you all. I love you all. Rest in peace sweet friend of mine. I know you are with your Dad and Shelia that you have missed so much.
