“ *Many years ago we worked together at a factory in Parsons. We became close friends and had lots of fun .She was always sweet and making everyone laugh. She would write little notes starting - Roses are Red and continue on and make it rhyme with however she wanted to finish. She was a character that always made you feel good being around her. So sad to know she is gone. I have thought of her often over the years . Prayers for Family and Friends*

“ *It is and will always be a honor to be her daughter in love! We had a special bond and closeness that some people never get to experience. She was the most selfless person I have ever known. She has been my precious mother in love for 29 years, we have made countless vacations & memories together. If Love alone could have kept her here she would have lived forever. We will now walk with the Lord through this loss and keep trusting him. I will miss you every day Terri until I see you again. May you now rest in God's presence & loving arms of Jesus! I will ALWAYS love you!!!❤️*

“ Cash Express NATION:

I must HONOR our former Employee Ms. Terri Austin of our Lexington TN Store.

Terri came to the company in 2007. I remember visiting her store right after the Income Tax Season and she always assured me She would get her GROWTH BACK! She always did what she said. As manager she always gave credit to her “Team” and praised them. She and her Team trained countless employees For the company during her time with us. I remember her very positive attitude about getting her NET FEE Goals.

What I remember most about Terri was her passion for people. She LOVED her Customers dearly. She wanted to HELP everyone. I remember one of her customers telling me that they did not have a ride home and could not afford public transportation and Terri Clocked Out and took her home. The Toy & Coat Drive was EVERYTHING to Terri and she was always at her BEST during this “SEASON.” She loved GIVING and Doing GOOD by people even if nothing to gain personally.

Terri was an ALL STAR Manager! Her Store Consistently in the TOP 25 for the Company and often a TOP 10 performance in Net Fees. Terri proved that NICE PEOPLE Can finish at the TOP!

My memory of Ms. Terri Austin is summed in two words: Sweet Heart!

She is just an easy person to brag on! Terri struggled with some severe health issues for a few years. She tried to work whenever she could. She loved Cash Express, her team, And her Customers! She travelled anywhere for our company! She was a total asset.

She had all the RICHES a person could ask for. She was a woman of FAITH, She loved her husband, her children, and her

grandchildren.

Yesterday, while just tired of fighting, she expressed to her husband that she just wanted to go home. So on November 20, 2022, Terri Austin received her GOLDEN TICKET! May she be rested in our good memories and in her own PEACE!

Thanks Terri! You Are A SUPERSTAR in LIFE and will be dearly missed by our Company!!!!!!!!!!!!!!!!!!!!!!

I think Terri and Her Team won about every award Marlo and Cindy could give out! If there is there is "GOOD HEART" award I am sure she is receiving that eternally!
