“ *BUTCH, PAT AND DEBBIE,*  
*We are so deeply saddened by the death of Toby. Although it had been a few years since we had seen her, she and I had many long conversations on the phone. We had lots of laughs about the many things that had happened in the past .....Butch, your name was mentioned a lot about the different things that you and Kim (Jan too and many of your other friends) had done when all of you were small. We really had hoped to have a reunion of all you adults that had so much fun playing together as small children.*  
*We want all of you to know that we loved Toby so very much, and she and I never hung up the phone without telling each other*  
*Our thoughts and prayers are with all of you at this time.*

*Our Love,*
