“ Tyler went to school with my son, Myles Akers, in Branson, Missouri. They were close friends and Tyler spent numerous occasions at our home. We got to know him and a polite, friendly and engaging, a rarity for a many people his age. I really enjoyed his company and he was proud of his heritage. He was a fascinating young man and I will remember him fond memories. I am happy he was in my son’s life as he helped create fond memories for him too.

“ When I think of Tyler, I remember him growing up at Union Grove Baptist with my girls. I saw him this summer and how had grown up to be a polite young man. George and Sandy Beal did an awesome raising you. My thoughts and prayers are with your family. Until we see you again on the other side, you will be missed by so many.

“ *I knew TO from high school, but we reconnected the summer of 2018. I was going through a rough time then and was down on myself and he would pick me up. He made sure I was up to date on the good country music and would send me songs to listen to. He was a great person and the best friend. ❤️RIP Tyler*

“ I have way too many memories with Tyler to share, but the best one was our entire summer before high school. We would hang out almost everyday, go to weight lifting, play video games for way too many hours at a time, wrestle, and be hooligans. I'm sad I didn't get a chance to reconnect when we got older, but I'm happy for the connection we had.
