“ *Rest in peace, my good friend. We had so many fun times together. Steve loved life more than anyone I've ever known, and every day with him was an adventure. I'm so glad we got to travel through life together as great friends. I'll miss his singing and guitar playing, and most of all, his infectious laugh. My deepest condolences to his family.*

“ *Odom was a good friend to my brother. Everytime I saw him he always had a smile and a positive attitude. He was the kind of person that anyone would be proud to call friend. He will be greatly missed. Sending love and prayers of peace for his family.*
