“ Sweet family- I had the honor of caring for Mrs. Hayes in Lexington at the assisted living facility. She was such a HUGE blessing to me at such a rough transition in my life. I spent so many wonderful days with her and loved on her as if she was my own grandmother and she returned that same kindness and love. You probably have no idea who I am but that is ok- I just wanted you to know that she touched my heart and I am so thankful for the time I was able to spend with her. Love & Praye

This breaks my heart. Just the other day at work, I was thinking about Willie Mae. She randomly popped into my mind and I started going down memory road. It brought a big smile to my face in doing so since many of us can not see our families at the moment. Much love and peace to the family. She will be dearly missed.

“ Loved Willie Mae she was so much like Aunt Omer. When I went to see her last year we had a good visit. Even tho she couldn't see me we felt the love between us. Pansy & Belinda we are sending hugs and love to you this day. Daddy's birthday is today. God bless all of you is my prayer today and She is with her loved ones that have gone on. Glory be to God. Amen
