“ *Willie earl whitman sr. is my grandfather!! I think of him everyday but the memory that sticks out the most is the summer he let me and my cousin brandy go to work for him...he had us loading and unloading big heavy logs on and off of a trailer..he had us picking up the old shingles from my dad redoing his roof..he had us working our little tails off!! Well we finally got done after about a week and he paid us \$10 a piece!! I think we ordered a pizza with it!! That was the best summer of my life!! It wasn't about the money!! My biggest pay out was spending time with him!! I love you grandpa!! I miss you so much!!! Kiss grandma for me!!*
