“ William Jr. was also a member of our U.S. army alongside many other Henderson County citizens and relatives during the Korean War, thankfully most of his unit were stationed safely in Germany. He also loved every family member equally, never showed any favoritism, treated everyone he met throughout his life exactly the same way, never a stranger, He loved helping on the family farm the family events, he helped his dad (Arthur Sr.) with the farm and their 50 hive Bee farm for over 50 years. He thanked God everyday for the love of his family members and extended family members, friends, church members.

He loved to Watch or listen to his St. Louis Cardinals (he was born there), or his Tennessee Volunteers, go fishing, hunting, bowling, looking for Ginseng and other herbs, he enjoyed nature, everything that God put on Earth to Enjoy, he liked to know that his family members and close friends had a relationship with God/ Jesus/ Holy Spirit !
